Arabian Travel Market (ATM) is one of the most popular travel trade shows in current time, which gives a perfect platform to the exhibitors like OTA's, hoteliers, agents, DMC's to showcase and market their products to meaningful B2B buyers coming from all across the globe. RezLive.com is making its presence felt at ATM from the last 7-8 years now and has always received good support

and business from the local travel trade, which eventually motivates us to strive forward and showcase something at the ATM. Like always, this year also we are looking forward to meet our travel partners and the suppliers to further strengthen our relationship with them and at the same time look forward to seeing buyers in larger numbers visiting our stall which is TT2030. This year we want to showcase a range of things to the travel trade fraternity; be it the Innovative features to xml connectivity to RezLive.com Specialist program, our team is all charged up to exhibit in the ATM and make our presence felt like always.
