RezLive.com appoints AVIAREPS as its exclusive representative for Australian market

By admin - September 4, 2023

RezLive.com, one of the leading global travel technology and distribution companies, announced today its strategic partnership with AVIAREPS, a renowned sales and marketing company specialising in the travel and tourism industry. Under this new collaboration, AVIAREPS will act as the exclusive representative for RezLive.com in the Australian market.

RezLive.com offers an extensive range of travel products and services to travel agents, tour operators, and travel industry professionals worldwide. With a user-friendly online platform and a comprehensive inventory of hotels, tours, transfers, and other travel-related services, RezLive.com empowers travel businesses with the tools they need to create exceptional travel experiences for their customers.

AVIAREPS, known for its global network and expertise in travel representation, will leverage its local knowledge and industry relationships to promote RezLive.com's offerings within the Australian market. This partnership aims to strengthen RezLive.com's presence in Australia and provide travel businesses in the region with direct access to RezLive.com's diverse inventory and innovative technology.

Commenting on the partnership, Jaal Shah, Founder of RezLive.com, said, "We are excited to collaborate with AVIAREPS and extend our reach to the Australian market. AVIAREPS' proven track record and deep understanding of the travel industry make them an ideal partner to represent our brand. This partnership aligns with our commitment to providing seamless and efficient travel solutions to our global clientele."

Emilie Groleau, General Manager, Australia for AVIAREPS, expressed her enthusiasm about the partnership, stating, "RezLive.com's offerings perfectly complement our portfolio of travel brands. We are thrilled to take on the role of exclusive representative for RezLive.com in Australia. This partnership allows us to offer our clients a wider range of travel options and enhance their ability to create tailored travel experiences."

Both companies are confident that this collaboration will bring mutual benefits and contribute to the growth of the travel industry in Australia.
