Brief from rezlive.com

RezLive.com made a remarkable impact at OTM 2025, bringing together travel agents, tour operators, suppliers, hoteliers, and travel tech companies to explore new business opportunities and innovative solutions.

The highlight of our presence was the much-anticipated launch of our Car Rental services and Mobile App, designed to enhance seamless travel experiences for our partners. Additionally, we showcased our Cruise offerings and VIP Desk (Concierge Services), further strengthening our comprehensive portfolio.

A Celebration of Innovation & Partnership

Day 2 was a special occasion as we invited our valued travel partners to our product launch celebration, raising a toast with an exclusive beer party at our stand. The event was a fantastic opportunity to network, share insights, and celebrate the continued growth of the industry.

Exciting Rewards for Travel Agents

Our Get More offering – RezRewards and RezVault bonus – was a huge success, with travel agents thrilled about the additional benefits and rewards. The response from our travel partners was overwhelmingly positive, reinforcing our commitment to delivering value, convenience, and profitability.

A Successful OTM for RezLive.com

The event proved to be a resounding success, with productive discussions, exciting collaborations, and positive engagement from industry stakeholders. We look forward to continuing our journey of innovation and excellence, ensuring our travel partners always have access to the best travel solutions.
