RezLive roadshow unveils Saudi tourism potential in Indian city

RIYADH, 1 days ago

RezLive, a pioneer in the B2B travel industry, unveiled the potential of tourism in Saudi Arabia to travel agents in Surat, in the Indian state of Gujarat, at a roadshow held on May 28, at the Park Inn by Radisson.

During the event, the RezLive team highlighted the extensive benefits and exceptional support that agents receive by partnering with their global travel wholesaler, RezLive.com.

The team's commitment to enhancing travel experiences and driving innovation within the industry was showcased through our advanced booking platform, diverse travel products, and dedicated customer service.

This roadshow was supported by Hussain Dalal, Market Manager Leisure – West & South, Saudi Tourism Authority. In a presentation, he showcased the hidden gems and captivating experiences that Saudi Arabia has to offer.

"We are thrilled to have ignited a passion for exploring Saudi Arabia amongst Surat's travel agents," said Jaal Shah, Group Managing Director at Travel Designer Group. "We are confident that this newfound enthusiasm will translate into unforgettable journeys for their clients."
